In building expressly for our business, we have combined every convenience for the different branches, and greatly re used our expenses, which, with our facilities and the extension of our business, enables us to sell goods and do work on the most presonable terms. Goods cheerfully shown and fairly represented, and we invite all, both buyers and the curious, to drop in without coremony and examine our stoot. We keep open house for all.

THE SPHEREOTYPE. THE latest and by far the most important improve ment in Photography is the recently patented pic re known as the SPHEREOTYPE, which is not on tere known as the SPHEREOTTPE, which is not only new and unlike any of its predecessors, but greatly superior is all. The Sphereotype is proof against TIME, AIR and WATER, and for richness of tone, warmth of expression and distinctness has no equal—in fact the il lusion is such that the potters, or image, seems suspended in air, entirely independent of the back ground. For this picture we have the exclusive right for Memphis. Specimens can be seen in our Gallery, where pictures are also taken in the various styles by our Artist, PROF. REMINGTON, who combines the Chemist with the Artist, which ens-
